**live the game.
feel the music.**

Feel the low end without making the room loud.

*Turn down or turn off your subwoofer and still feel all
the bass you want. Ideal for apartment or dormitory use.*

Experience powerful bass even while using headphones.

*Powerful 100 watt
amplifier included!*

*The ButtKicker® Gamer easily attaches
to most standard center post chairs.*

low frequency transducer

PC and Mac Computers: Works with or without a digital sound card and can be part of a 5.1, 4 or 2 speaker system.

Gaming Consoles: Use with XBOX®, PlayStation® 2 and GameCube™.

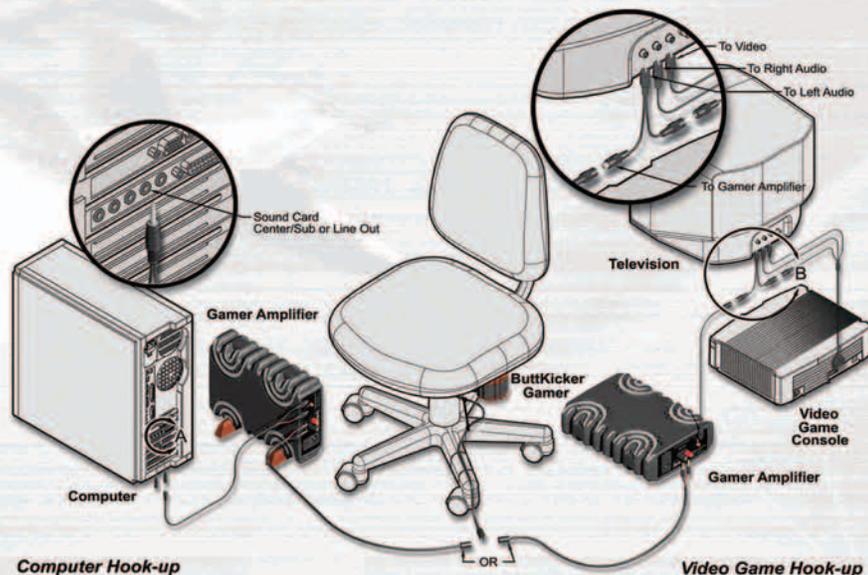

Digital Music Players: Connects easily to iPods and other digital music players.

Designed to be responsive and aggressive, the ButtKicker Gamer answers the need for both accurate low frequency response and maximum tactile effect.

Digital music playback, gaming and computer entertainment have never been so realistic or intense.

Virtually indestructible and maintenance free. With a patented magnetic suspension system, and a thermal switch for heat protection, the ButtKicker Gamer provides tremendous power and longevity.

Package includes the ButtKicker Gamer, 100 watt Gamer Amplifier and all necessary cables and wires.

For workplace or home, the ButtKicker Gamer easily attaches to most standard center post chairs. Feel the low end without making the room loud. Turn down or turn off your subwoofer and still feel all the bass you want. Experience powerful bass even while using headphones. Ideal for apartment or dormitory use.

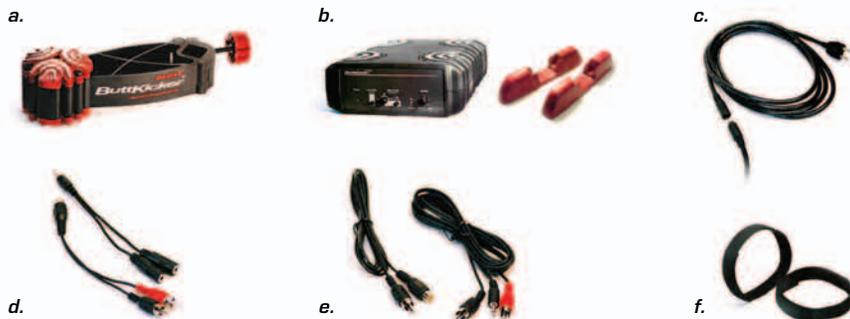

The "Easy Clamp™" mechanism allows you to quickly attach and detach the ButtKicker to your home or office chair.

Everything needed to connect the ButtKicker Gamer to your computer, gaming system or digital music player is included in this four-color, point of purchase ready, retail box.
